ELECTION RETURNS

WITH STATISTICS FROM THE RECORDS

TO THE LEGISLATIVE ASSEMBLY OF ONTARIO

I have the honour to submit to you the return from the:

- By-election held in the Electoral District of Chatham-Kent on October 19, 1978;
- By-election held in the Electoral District of Sault Ste. Marie on December 14, 1978;
- By-elections held in the Electoral Districts of Wentworth and of Scarborough West on April 5, 1979;
- By-election held in the Electoral District of Carleton on November 20, 1980; and
- The General Election held on March 19, 1981

As a result of representations respecting irregularities in one electoral district, a thorough investigation was made which confirmed that a number of errors had, in fact, been made but there was certainly no evidence of any deliberate misconduct or any suggestion of corrupt practices, nor was there any allegation to that effect by the complainants. Moreover, the investigation clearly indicated that the irregularities, while to be viewed very seriously, could not possibly have affected the result of the election.

There are, of course, always a number of errors made by enumerators, deputy returning officers and poll clerks who are nominated by the parties for the most part, but it should be remembered that these casual employees are engaged for a very brief period and their instruction is also brief due to the shortage of time. The errors committed, largely through inexperience, are insufficient to affect the result in any electoral district and to the best of my knowledge these elections were free of corrupt practices or any action of a willful nature.

Respectfully submitted,

RODERICK LEWIS, Q.C.
Chief Election Officer

Toronto, Ontario
August 4, 1981
